

## 2025 – Hall of Fame Inductees – Dan & Steve MacLelland

### Dan MacLelland and Steven MacLelland (Superior Performance)

Good afternoon, allow me to introduce myself. Some of you may know me as Ann Bogl, most know me as Ann MacLelland the BETTER bowler of us 3. All jokes aside, everyone really knows me as “DAN & STEVE’s sister, again my name is Ann.

I am here to talk to you about the amazing accomplishments of my brothers Dan & Steven MacLelland.

Their biggest accomplishments to date, is their beautiful families, so please allow me to introduce you to them. With Steven is his Oldest, Noah, followed by Brooklyn, Glacie, & Emma. Steven also has his significant other, Christian with him today to celebrate.

With Dan is his wife and my sister from another mister, Kristy and their girls, Harper and Addy.

We also have my Uncle Bill & Aunt Margie and last but not most of all not least our beautiful Mother Michelle. And my biggest supporter, my son Aaron and my daughter Leah.

Today Dan & Steven are being inducted to the hall of Fame for Superior Performance. Our father Leonard was also inducted in 1995 for Superior Performance. For those of you who know my Mom & Dad, know how proud they are and would be, of what my brothers have accomplished in their almost 40 years of bowling.

To everyone’s surprise we were ACTUALLY born in a hospital not in a bowling alley, but from the time we could walk we had a ball in our hands. While mom was working, we were at the bowling alley while Dad ran the pro-shop out of Super Bowl Lanes, we were always there, after school, weekends and summers.

Early on the boys showed that bowling ran in our blood. Entering the Junior Program at the tender age of 4 it didn’t take long before the accomplishments started rolling in. Bowler of the Year, High Averages, earning scholarships, tournament and most of all breaking records. These two were and still are a force to be reckoned with.

Back when we were kids, articles used to be posted in the Windsor Star, and often there was an article recognizing another accomplishment of the boys.

Dan & Steven were both Bowlers of the YEAR throughout their Junior Bowling Career. Both held positions on the All Star Teams through 1999 – 2005.

Dan & Steve had Multiple 1<sup>st</sup> & 2<sup>nd</sup> places through tournaments ranging from Singles, Doubles, Team and All Events. They both also won a multitude of Scholarships throughout the Junior Program.

At the age of 5 Steven was averaging 47 & Dan was 58. When they finished their Junior Careers in 2004 at the age of 19, Steven’s high finish of 227 & Dan’s of a high of 231.

In 2006, again taking him to Berlin, Germany, where he won 1 gold, 2 silver and 1 bronze medal.

After smashing records in the junior program the boys didn't stop and moved into their College and Adult Accomplishments. The boys can't count on 2 hands their honor scores, but neither can I, well that's because I don't have any, so moving on. LOL. But please allow me to go through their milestones with you.
